

REDUCING THE RISK OF COVID-19 ON THIS BUS

The **safety** of our employees and customers remains paramount during the COVID-19 period.

In accordance with State Government guidelines, the following information is provided in relation to travel on our bus services. This applies to both school students and other customers

- Passengers are responsible for maintaining a social distance of 1.5m where possible on board and at stops. Drivers are not required to police social distancing.
- You are required to wear a face covering
- Daily Depot cleaning practices, and daily sanitising and disinfecting of high touch surfaces in buses is in place.
- There will be no cash handling by drivers.
- There will be separation of driver and passengers with the front row of seats closed off.
- Drivers have hand sanitiser for their own personal use, and are following good cough, sneeze and hand sanitation practices.
- Customers should carry hand sanitiser and follow good cough, sneeze and hand sanitation practices.
- Food is not to be consumed on the bus.
- Drivers and customers are not to report to work or board the bus if they are ill.
- Drivers and passengers are encouraged to download the Government's COVID Safe App.

No eating
